

FSc Missed-Exam Policies & Procedures

All students who miss a final examination must seek accommodation through a Deferred Standing Agreement (DSA), or file a Petition for Deferred Standing (PDS) through the Registrar's Office (Bennett Centre), or accept a grade of F. For medical absences, only Attending Physician Statements (APS) are accepted. Students are expected to have attempted to obtain a DSA before filing a petition, as the denied DSA document needs to be submitted with the petition. Petitions are submitted to the Home Faculty and must follow their rules. The following is for Faculty of Science students. The Undergraduate Program Assistant (UPA) deals with the Registrar's Office and Room Scheduling.
